

# **ENVRI Community International Winter School on DATA FAIRness**

**January 11 – January 22 ,2021**

This is to certify that

**Jana Efremova**

has actively and successfully participated in the 8 days International Winter School organised by the ENVRI-FAIR project in collaboration with the LIFEWATCH ERIC infrastructure. The programme consisted of lectures and practical sections on key topics covering all major phases in the research data management lifecycle. The participant has proven knowledge and understanding of the topics in a final presentation.

Lecce, January 28th 2021

Dr. Nicola Fiore  
LifeWatch ERIC Service Centre  
on behalf of ENVRI-FAIR WP6 and LifeWatch ERIC

A handwritten signature in black ink, appearing to read "Nicola Fiore", written over the printed name and affiliation.
